Broken Arrow Economic Development Corporation to Host Manufacturing Career Day on October 24th

[Broken Arrow, OK - October 21, 2024] The Broken Arrow Economic Development Corporation (BAEDC) is pleased to announce Manufacturing Career Day, scheduled for October 24, 2024. The event will be held across several locations, including Broken Arrow Freshman Academy, Union Freshman Academy, Broken Arrow Options Academy, and Union Alternative School.

This initiative aims to raise career awareness among high school students from Broken Arrow and Union Public Schools, offering them a unique opportunity to explore the exciting and diverse career paths available within the manufacturing industry. The program is designed to inspire the next generation of innovators, engineers, and skilled workers, equipping them with knowledge about the rewarding opportunities in this vital sector.

"By fostering interest and awareness in manufacturing careers, we can develop a skilled and passionate workforce that will be vital to the future success of our community," said De'Andre Fahie, Director of Talent Attraction and Workforce Development at the BAEDC. "This event will help shape the aspirations of young minds as they consider their future career paths"
